## **Environetics Ranked in the Top 25 of Los Angeles'**

### **Commercial Interior Design Firms**

LOS ANGELES, Calif., October 25, 2006 – Environetics, a full-service interior architectural design and space-planning firm, ranked number 16 in *Los Angeles Business Journal's* 2006 Top 25 Commercial Interior Design List released this month. Each year, the *Los Angeles Business Journal* (LABJ) publishes the list of Los Angeles area businesses after extensive research on firms' revenues, clients, and employees.

"The hard work and dedication of our loyal employees, as well as our commitment to customer satisfaction have helped us achieve our success. This recognition confirms our efforts and continues to fuel our dedication to excellence as we look toward future work," commented Rodney Stone, president of Environetics. "Environetics is dedicated to developing a visual ambiance that reflects each of our clients' core values."

Environetics creates innovative custom interiors for selected market sectors, including financial, entertainment, high tech and corporate office environments. They are known for their service, driven by a thorough understanding of their clients' needs through continuous communication. Their flexible approach extends throughout each project. Some of their most notable clients include Fox Entertainment Group, Fremont General, Grassini & Wrinkle, Insomniac Games, Cohen, Miskei and Mowrey, Los Angeles Police Assessment Resource Center (PARC), TV Guide and United Online.
